SOFTWARE PROJECTS

Like Minds

Social network built with the LAMP stack. Users can log in, create accounts and upload photos. Members can create events that can be added to Google, Facebook, or Outlook calendars.

Random Thoughts

Modern, responsive blog site built with PHP where users can create accounts, post blogs, and connect with other users.

Tic Tac Toe

Single-player web app built with jQuery. Includes AI, a clean user interface, and can be ported into a hybrid mobile app for iOS and Android.
